FOUR MEN ARE RULED OFF.

SAM MOST AND CHRIS MARTIN TRY TO BRIBE JOCKEY SMITH.

W. H. Rudolph and Gerald Evans Are Named As the Men Who Fleeced the Mississippi Banker Out of \$12,000.

New Orleans, La., February 7.—Four men were ruled off the turf by Judges Trevelyan and Murphy at City Park this afternoon. They were Sam Most, of Kansas City, Chris Martin, of New York, W. H. Rudolph, of Detroit and Gerald Evans, of Los Angeles. Most and Martin were expelled for attempting to bribe jockey B. Smith to pull horses. Rudolph and Evans came under the ban for fleecing the banker, the story of which was told in Daily Racing Form this morning.

The gist of the testimony in the case of Most and Martin was that one evening recently Martin anproached jockey Smith as he was leaving a theater. He invited the boy into a saloon and there introduce him to Most, who was waiting at a table. Most told the boy that he had a good bankroll and would cut in at City Park with a book and lay against his mounts whenever he might send him word that he was satisfied that he could keep his mounts out of the money without exciting suspicion on the part of the officials. As a consideration Most said he would give Smith fifty per cent. of the money taken in this manner. Smith left the conspirators telling them he would think the matter over. He went straightaway to James H. McCormick, his contract employer, and told him of the proposition and ask ing his advice as to whether or not he should go to the judges with a statement. McCormick told the boy that he would attend to the matter. He took Smith into the betting ring the next day and had him point out Most. Then he set about investigating the character of the man, telling some of his friends of the proposal and declaring his intentions of getting the goods on them before he would go to the judges with a statement. Meanwhile Smith rode Careless for James Devlin. After the race Devlin expressed dissatisfaction with Smith's hand ling of the horse. One of Devlin's stable men told him that he had heard that Most had "got to" Smith. Devlin went to the judges and the investi-gation resulted. McCormick had gathered considerable information and this he gave to the judges. The officials expressed themselves as satisfied that Smith had not been guilty of wrong-doing.

Most was conspicuous in the betting ring at Latonia last summer and was heralded as a plunger. He did get together a lot of money, but before the season ended the bookmakers had it back and Most was next heard of as a tipster. He came here when the season opened and has been booking off and on all

Martin for a while last summer trained the horses of C. T. Henshall at the eastern tracks. He has been hanging around the New Orleans tracks all winter, but has had no connection with any racing stable.

The specific charge against Rudolph and Evans was "touting and other practices derogatory to the best interests of the turf and contrary to the laws of racing." It is now said that the banker who was their victim hails from Mississippi. For sufficient reasons the name of the victim is not made public. Rudolph had been racing a stable of horses and making a book here. Evans was the cashier in Rudolph's book. He was in trouble at Ascot Park last winter. He was mixed up in the Gorman-Coston-Lynch case. It is understood that the Mississippi banker has employed detectives to locate Rudolph and Evans with a view to prosecuting them on a charge of obtaining money under false pre-

BLAGRAVE PICKS LALLY FOR THE DERBY.

New York, February 7.—Barry Blagrave, on his way from California to his home in England, is spending a day or two in New York. He was here about a year ago and went on record with the prediction that Cicero would win the Derby of 1905. Acquaintances knowing of this have asked him to name the winner of the 1906 Derby. "Lally," says he, "looks as much a certainty for the next Derby as did Cicero for the last one. For the Grand National Steeplechase I like Ranunculus, which finished fourth last year and next to him my fancy is for Phill May."

HANDSPRING GOES TO MILLSTREAM STUD.

Lexington, Ky., February 7.—Trainer Tom Welsh of the Ormondale Stable is here to superintend the shipment of the stallion Handspring from Beaumont Farm to F. C. Bishop's Millstream Stud, Mount Kisco, N. Y. Handspring is the property of Messrs. F. C. Bishop and Andrew Miller and is to take the place of the dead Blackstock in the stud.

HUNDLEY SELLS MONITA FARM.

Lexington, Ky., February 7.—A. E. Hundley has sold his Monita stud farm near Danville and will dispose of some of his broodmares. He will retain a few mares and the stallion Ruskin for the foundation of another stud.

WILLIAM GERST'S STABLE AT NASHVILLE.

Brewer-Turfman Has Thirty-one Horses Under Care
of Trainer McDaniel at Cumberland Park.

Nashville, Tenn., February 7 .- Since the victories of Karama, Colloquy and La Vernita at New Orlears, trainers at Cumberland Park have been sticking a few more feathers into the cap of William McDaniel. The "Derby trainer" still has his good eye for likely racing prospects, hence the congratulations. It was upon his recommendation that Mr. Gerst bought Karama from Milton Young last July. He fancied the youngster because he so much re sembled the Macduffs and told Mr. Gerst that taking the colt at \$400, the breeder's price, was almost like finding him. Colloquy and La Vernita Mc-Daniel never saw until two or three months after Mr. Gerst had bought them, the brewer-turfman having made the purchase after McDaniel had told him that he liked their pedigrees. Late in the fall George Holle, who is Mr. Gerst's son-in-law, expressed a desire for some of the two-year-olds in his pater's string. Mr. Gerst told him to pick out what he wanted and he would fix the prices them. Karama he got for \$550, which was an advance of \$150 on the original purchase. These ingsters were then turned over to George Ham the former jockey, who has been connected with the establishments of Messrs. Gerst and Holle for three or four years. That he has made good with them thus far goes without saying.
William McDaniel has a string

William McDaniel has a string of thirty-one horses in Mr. Gerst's new barn at Cumberland Park. There are seventeen two-year-olds, cleven three-year-olds, two four-year-olds and one five-year-old. Brancas never looked better in his life and has wintered healthily. Lady Savoy looks good and, though it has been reported in some papers that she was fired, she has never been touched with the firing iron. It is the intention of Mr. Gerst to ship a portion of his stable to New York. He has made several entries to stakes at Coney Island and Brighton Beach tracks. Jimmy McLaughlin has sold Sun Fire to James Sinnot. The horse is now at the old Guttenberg track being prepared for the Bennings meeting.

THEY SPEAK, BUT THERE IS A "COOLNESS."

Manager Brooks Explains Rumors About Ascot—Says

Judge Hamilton Asked Him to Leave the Stand.

Los Angeles, Cal., February 7.—Ever since Dick Williams took his stable to San Francisco there have been whispers that his sudden departure caused trouble between Judge Hamilton and Manager Brooks. These stories were helped out by the report that the two officials were not on speaking terms. Statements covering the matter were made by both officials and published this morning. This is what Manager Brooks has to say about the rumors of trouble:

"It is true that for over a week I did not go into the judges' stand at Ascot Park, but it is not true that the Dick Williams affair had anything to do with it. Along about January 22 I was in the judges' stand with some other gentlemen. Judge Hamilton called an owner into the stand and turning to us he said: 'Please let us have the stand, gentlemen.'

"I walked out and today was the first day I have been in the stand since that happened. I do not know how the Williams affair came to be tangled up with this. Now, as to Williams' leaving Ascot Park for the north, it will be remembered that his boy, Walsh, had been set down two times. On Hector, interfered with Big Ben and after investigation Wiley was suspended indefinitely. This angered Williams and was the cause of his leaving Ascot. I am the manager of the track and Judge Hamilton is the presiding judge. I have never attempted to hamper his action in any way, nor do I intend to do so, and he in his turn accords the same treatment. The rumor that we are not on speaking terms is not true, for I was in the stand today to see him about some matters. That is all there is to it so far as I am concerned."

Judge Hamilton's statement was along the same line.

THE SUN'S VIEW OF ASCOT TROUBLES.

Much unfavorable criticism of the racing at Los Angeles has been heard of late. The track is owned by George Rose, the millionaire bookmaker, who is the ruling spirit in the betting ring. It is said that many queer looking events have been allowed to pass without an investigation and that the track as a result has become unpopular. When bookmakers own stock in race tracks, conduct stables, have jockeys under contract and also lay the prices there is little wonder that the public grows wary. This was the direct cause of the downfall of the Guttenberg track and because of such practices the Jockey Club of late has adopted a policy tended to keep the bookmaker in his place.—New York Sun.

REDFERN TO RIDE AT OAKLAWN.

New York, February 7.—Jockey Arthur Redfern is making preparations to leave here next week for Hot Springs, where he will ride during the entire meeting at Oaklawn. Redfern now weighs 115 pounds stripped, but says he will be able to make 110 at the Springs. He will ride at the New York tracks during the summer and believes that he will be able to make 111 pounds throughout the season.

NOTES OF THE TURF.

There were so many accidents during the early part of the steeplechase meeting at Nice, France, that the management lowered the jumps and coated the upper portion of the obstacles with white paint. After this fewer horses fell.

The vacancy in the Board of Stewards of the Jockey Club of England, which occurred with the death of Sir James Miller, will, it is said, be filled by the election of Lord Stanley, who is the youngest member of the governing body.

It is said in San Francisco that the winnings of "Boots" Durnell on the races at the California tracks this winter will aggregate nearly one-quarter of a million dollars. It is claimed that the greater portion of this money has been taken out of handbooks and poolrooms.

Paris is to have a new race course. It is to be a magnificent place and will be known as Le Tremblay. It is to take the place of the track at Colombes and will have seven days of racing during September and October. There will be no steeplechasing at the new course.

The racing partnership between Colonel Robert Neville, of Virginia, and Charles Pfizer, of New York, has been dissolved. Mr. Pfizer will devote his attention to steeplechasers, while Colonel Neville will continue as a breeder, selling off the young horses he had put into the firm's stable.

Before the meeting at Ascot Park is over there will be put on a race for gentlemen riders, amateurs. Several members of the press will accept mounts. with one or two others. The race will be framed for amateur riders strictly and it will be made one of the events of the season.—Los Angeles News.

RADTKE TAKES A TUMBLE.

LADY FREE KNIGHT SLIPS AND FALLS WITH THE JOCKEY UNDER HER.

Two Horses Jump Over Prostrate Mare and the Boy
Escapes Injury—Most Disagreeable
Day of New Orleans Season.

New Orleans, La., February 7.—The worst weather of the season prevailed here today. A cold, drizzling rain fell all day. Both tracks were sloppy, although the footing underneath was firm. The attendance was a mere handfull at each course and the betting was correspondingly light.

In the closing race at the old track there was an accident which gave the spectators a scare. Just as the leaders were entering the last sixteenth, Lady Free Knight, in a prominent position and gaining fast under Radtke's urging, slipped and went down. Radtke fell under her and on arising was in danger of being struck by Athena and Brookston, which were directly behind. Luckily for the rider, both horses jumped over the prostrate mare. Radtke escaped with a severe shaking up and a cut on the head. Lady Free Knight had her right eye knocked out. It is supposed that she was struck by Athena when she attempted to rise for the first time.

Third Alarm and Footlights Favorite were the only successful favorites during the afternoon. The victory of the latter was costly to her owner, as she was bid up \$600 over her entered price of \$700 by S. Louis. She was retained with an advance bid of five dollars.

The probabilities are that Major Daingerfield will be given a long retirement and in the opinion of a number of horsemen it is a question if he will ever be shaped up again for another race. He pulled up almost on the verge of breaking down and was with difficulty led off the track after the finish of the fourth race.

Judge Himes was given a workout of a mile between races, negotiating the distance easily in 1:52. It was a bad day for favorites at City Park. The only pronounced choice to win was Bertha E. in the closing race. Tichimingo was heavily backed by his stable and won the fifth race after being hard ridden to stall of the challenge of Airship. This race proved to be the best contest of the day.

SIR WILFRED IS INJURED IN SHIPMENT. Tom McGrath Is Ailing—Barney Schreiber Wins \$10,000 Over Bannock Belle's Victory.

San Francisco, Cal., February 7.—First-class racing obtained at Oakland today, notwithstanding the defeat of five favorites. Only a solitary public choice in Bonar rewarded his backers. The card promised splendid sport and a big crowd was on hand. General regret was expressed over the withdrawal of Sir Wilfred and Tom McGrath from the five and a half furlongs sprint. The Durnell crack was slightly injured while being loaded on the car at Los Angeles for shipment to Oakland and the Woodlands youngster is on the ailing list.

Barney Schreiber won one of the biggest bets of his career, said to have been \$10,000, over the victory of Bannock Belle, a filly of his own breeding. The diminutive Balgowan four-year-old annexed the Kantaka Handicap of \$1,000 at a mile in a big field

of good ones.

Z. Abrams claimed Supreme Court out of the third race for \$1,025.

Dr. J. Grant Lyman has announced the immediate sale of his horses in training and will leave for New York tomorrow night.

WOODFORD CLAY GOES TO CALIFORNIA.

Woodford Clay, the Kentucky turfman, passed through Chicago yesterday en route to California. "It is merely a pleasure trip," said he. "I am going to San Francisco to see a bit of the racing at Oakland and will then stop at Los Angeles and take the southern route back to Kentucky, spending a day or two at New Orleans and Hot Springs. I will get back home the latter part of March. My horses are all in good shape. They have wintered well."

CICELY A WINNER IN ENGLAND.

When Cicely, a three-year-old filly by Tartar—Faughchin, recently won at one of the western tracks it was generally believed that she had never started before. The books quoted 15 to 1 against her and when she won the coup is said to have netted all of \$40,000 for her backers. Later it was discovered that Cicely had won a selling race in England by a sixteenth of a mile. She was bought out of this race and shipped to Canada, but, though she was kept constantly in training, she was not started until the trick was ready. She is owned by the Kirkfield Stable, well known in the east, which also put Wire In over the plate recently for another heavy winning.—New York Sun.

CAPTAIN CLAY DIES ON A TRAIN.

Lexington, Ky., February 7.—Captain James B. Clay, one of Kentucky's noted turfmen, breeder of Major Daingerfield, Lady Schorr, etc., died on a train near Baltimore this morning. He was on his way from Lexington to New York to sell a thoroughbred colt.

Winner—B, c, by Tanzmeister—Miss Boggiano (trained by W. L. Oliver).

Went to post at 2:06. At post 5 minutes. Start bad. Won driving; second the same. Hoot Mon got away badly on the inside, but gradually overlauded the leaders and made good with a sensational closing sprint and is a crackerjack. Plankin, after securing a flying start, indulged Blagg with the lead to the stretch, where he went to the front and apparently was winning easily when he stumbled and was caught at the end. Paladini was striding at the start, but outpaced in the early running, finished with a brilliant rush and is a croskerjack. Plankin, after securing a flying start, indulged Blagg with the lead to the stretch, where he went to the front and apparently was winning easily when he stumbled and was caught at the end. Paladini was striding at the start, but outpaced in the early running, finished with a brilliant rush and is a coming good one. Blagg displayed amazing early speed, but failed to stay and probably is best in mud. Sylvan Dixon got away slowly and was quickly shuffled to the rear and never dangerous afterwards. Arragon is a grand looker.

Seratched—(60633) Nappa. 115; 59050 Allarie, 105.

Winner—Ch. h, by Handspring—Listen (trained by E. C. Anthony).

Went to post at 4:24. At post 1 minute. Start poor. Won handily: second easily. Barkelmore, favored by the soft going, ran close up to the stretch and outgamed Edward Hale in the final drive. Edward Hale began slowly, but came fast from a long way back and about ran his race. Athena began with her customary slowness and was forced to jump over Lady Free Knight when she fell, then finished fast. Brookston showed speed and also had to jump over Lady Free Knight to avoid failing. Phoebus was practically left. Lady Free Knight was going well when she slipped and fell and would probably have won but for the mishap.

Went to post at 1:58. At post 3 minutes. Start good. Won easily: second driving. Skywar! closed up with a rush in the last furlong and, passing the leaders, was only cantering at the end. Wickford seemed favored by the going, ran a good race and fluished gamely. Manoeuvre broke in motion and raced nonle Lucille into defeat in the early stages, but tired at the end. The saddle on Golden Glow turned under her before they had gone a furlong and McIntyre was forced to ride the race bareback. Honeywell went fairly well. Nonle Lucille was a good second to the stretch, but failed to stay. Corliss evidently disliked the mid.

Went to post at 2:32. At post 1 minute. Start good. Won easily; second the same. Gould ran in behind Evander for the first turn of the field, moved up when going to the eighth jump and, taking command after going over the ninth jump, cantered the remainder of the distance. Class Leader was under a drive all through the last quarter and was tiring at the end. Evander was much used in setting the pace and tired. Winner—Ch. c, by The Sailor Prince—Flash (trained by D. Carter).

Went to post at 2:47. At post 1 minute. Start good. Won ridden out; second easily. Sailor Boy was at home in the going, wore Bellindian down on the first turn and took command when straightened out on the backstretch, opened up a winning lead on the far turn, but thad to be ridden out at the end to stall off Bellindian. The latter came gamely in the stretch run, but tired after forcing Sailor Lad to a drive. Coruscate ran poorly and seemingly was handicapped by the going. Harry Stephens dropped out of the running in the first quarter and ran a bad race far below his true form. Sanction was always outrun.

Went to post at 3:12. At post 3 minutes. Start good. Won easily; second driving. Mattie H. was at home in the going, showed the most speed all the way and was well in hand at the end. Regale began slowly and closed a big gap, but was driving to the limit at the end to stall off Yachting Girl. The latter ran the best race of all, was interfered with on the first turn and had to work her way up on the outside and was coming fast at the finish. Room Mate, after running well to the stretch, tired. Signal Light seemed unable to extend himself and ran a bad race.

Chief Millikin, greatly favored by the going, broke with the leaders and rushed to the front on the first turn and, opening a big lead on the backstretch, was well in hand through the last furlong. Attila made up a lot of ground in the last quarter and shook off Thistle Do in the stretch run. Thistle Do ran in improved form, but was driving to the limit at the end to stall off Morendo. The latter came fast in the last fifty yards. Keynote was seemingly unable to raise a respectable gallop in going very much in his favor. Small Talk ran well to the stretch.
